

Name _____

Date _____

Physics Terms

For each of these terms, you can either define it, or use it correctly in a sentence.

Force _____

Work _____

Distance _____

Rate _____

Time _____

Velocity _____

Speed _____

Displacement _____

Gravity _____

Acceleration _____

Natural Force _____

Kinetic Energy _____

Potential Energy _____

Vector _____

Centripetal Force _____

Momentum _____

Motion _____

Friction _____

Inertia _____

Newton _____

Joule _____
