

# Try My Slide Show

Open the slide show.

View the slide show by clicking “Slide Show” , then by clicking on “Slide Show” again.

After viewing, you need to make the following changes in the presentation:

## 1. Change the master page

On the right column is the task pane. Choose the option of “Master Pages” and select a different background picture.

## 2. Change the slide order

Move slide 3 (veggies) to be the last slide before “The End” Do this by dragging the slide to the correct location.

## 3. Make changes to the slides

Slide 1

1. Change the font size and color of the title “My Slide Show”
2. Change the phrase “Random things for you to play with” to a phrase of your choice

Slide 2

1. On slide #2, change the name “Chicken Little” to your name.
2. Change the graph to a 3-D pie chart and increase the number of turkeys to 2.

Slide 5 (The Veggie Slide)

1. Change the picture to a different one you found on the Internet
2. Add in a different vegetable to the list

Slide 6

1. Change the layout so you can add a picture.
2. Find a picture online and add it to the slide.

Preview your slide show by clicking on “Slide Show” and select “Slide Show” again

When it looks the way you'd like, save it as e14.odp

ALSO save it as a ppt file with the name e14.ppt
