Oct 16	Expeditions	
Oct 18	Expeditions	Progress Check – at least 10
Oct 23	Expeditions	**Assignment Due Date**
Oct 25	Final Presentation Day	

Students will be progressing at their own rate through expeditions. At least one expedition per day is expected. Some are short, while some are long, so it is recommended that the student should progress as quickly as possible.

Help is always available for students who ask. It is recommended that students bring headphones to class (preferably cheap) to listen to audio assignments.
