

Exercise 9: Create a Newspaper

You must use all of your word processing skills to create a two-page newspaper.

Here are the requirements

At least part in columns	4
Something in italics	1
Something bold	1
Color somewhere	1
Pictures	3
Word Art (one minimum)	3
Chart or Graph	4
Table	4
Text	4
Separate sections	4
<u>Your name somewhere in/on the paper</u>	1
Points	30

Your paper can be silly or serious. You could make it about you and your friends, hobbies, zombies, your teachers, or anything that is school approved. You are NOT required to have a colored background, although the sample does.

Please look at the sample to see what your paper should look like.

Make sure your newspaper looks formal and professional. Have fun!
