## ASSIGNMENT

You need to add the following to a web page

- |                 |                              |
|-----------------|------------------------------|
| 3 points        | One marquee                  |
| 2 points        | At least one ASCII character |
| 2 points        | A blockquote                 |
| 2 points        | Something superscript        |
| 2 points        | Something subscript          |
| 2 points        | Something in true type font  |
| <u>2 points</u> | <u>A meta page redirect</u>  |

15 points total
