

## Assignment 3: Changing Text – First Run

### Requirements

- Add a header to your page using one of the header tags
- Create an ordered list with at least three list items
- Create an unordered list with at least two items
- Create a dictionary list with at least one term and one definition
- Make at least one word in a paragraph bold
- Underline at least one word
- Make at least one word italic
- Add a line break
- Add a horizontal rule (a horizontal line)

### Basic tags used

```
<h1></h1> through <h6></h6>  
<ol></ol>  
<ul></ul>  
<li></li>  
<dl></dl>  
<dt></dt>  
<dd></dd>  
<b></b>  
<i></i>  
<u></u>  
<hr />  
<br />
```
