Classical Plus Assignment

For this assignment, you will be adding sound effects to a classical music piece.

1. Choose a classical music song.

    You can get some free classical music at
    http://en.wikipedia.org/wiki/Wikipedia:Sound/list
    (right-click on the file name and save it to the desktop)
    You can get songs elsewhere as well.

2. Choose your sound effects

    You can get some free sound effects at
    http://www.grsites.com/archive/sounds/
    Click on the appropriate download
    You can get sounds elsewhere as well.

3. Add the sound effects to the musical piece

    You will need to add additional tracks to do this. Fade-ins, fade-outs, etc. are a good idea
